Dear Friend:

It just takes one person to help make a difference. You can help make a difference for us simply by using the Shopping List on the back of this letter, shopping at your favorite Albertsons store and using one of the temporary Community Partners barcodes on the Shopping List with each and every grocery purchase at Albertsons. Our organization will earn cash rewards based on our supporters' sales. We can earn 1% of the sale each time our dedicated Community Partners barcode is scanned with a grocery purchase. If our organization earns sales from our loyal supporters tallying more than \$50,000 per quarter, those sales greater than \$50,000 will earn 5%.

We would like to thank you in advance for your support and the difference you will make for our organization by shopping at Albertsons and using the temporary Community Partners barcode. We have included several copies so that you could share them with a friend. To receive our permanent Community Partners key tag, please contact us at the number listed above.

Sincerely,

Becky Valencia (rvalencia@district70.org)

Your Community Partners Coordinator
